TECH SKILLS

I'm always enthusiastic to learn new programs and skills. Currently I have skills with...

- Ableton Live 11
- Logic Pro X (Garage band & iMovie)
- iZotope, Ozone 9 mastering suite
- Protools
- Adobe Photoshop, I have Good basic graphic design skills
- Excel spreadsheet programming, Budget and finance management
- Weebly website design
- Muscores, creating sheet music
- Self taught guitar and harp
- Classically trained piano player, ability to read music.
- Basic studio recording ability, using a Neve and Soundcraft
- UAD account and Apollo interface
- Speaking intermediate French
- I can reverse a trailer up a long driveway

EDUCATION

Much of my skills are based in real world learning and industry experience rather than institutions.

I have always been self motivated to further my knowledge through experience and personal research, volunteering with industry professionals as well as short courses. Here are a few to mention though...

SAE Creative Media Institute 2022

Associate Degree Music Production
Associate Degree of Audio technology

Lismore Tafe 2009

Cert IV Information Technology

Swinburne Hawthorn 1996

VET Cert III Multimedia

Swinburne Prahran VCE 1998

Psych/English/Graphic Design

PERSONAL SKILLS

Working within a team or solo, I thrive in a challenging environment and working to a deadline. My background in business, team management and entrepreneurial ventures gives me sharp focus to problem solve in the moment and come up with solutions. As a result I am confident in my ability to come up with unique ideas. I value quality output and professionalism and am extremely motivated to constantly develop my skills and grow professionally. I've been told by people I've worked with that I bring a sense of calm, clarity and stability to a studio environment, and have a good ear and intuition for what sounds good.

RECENT WORK EXPERIENCE
